TO THE RESIDENTS OF DALY CITY:

Your response and support of our Directory has been so great that we are now in our Sixteenth Year. It has been, and is, a pleasure serving you.

Your new Directory will serve you well as a real convenience and time-saver, if you will just take a few minutes to study it. For instance, it is double indexed. It has both a classified index and an index to the advertisers.

The map is a very useful tool. For maximum convience, follow the instructions at the bottom of the code map. The map and street index are in the center of the Directory contained in the red edged pages.

Our local merchants and professional people make this directory possible.

SHOP AT HOME.

Sincerely,

RAMONA BIRKE
Managing Director
